KARNATAKA LOKAYUKTA

No. UPLOK/BOM/7021/2021

Date: 13/01/2021

During my visit to various Talukas of Vijayapur District, it is brought to my notice that the ground water tanks constructed in several villages are lacking maintenance and are not capable to store the water sufficiently, thereby depriving water to the people of the villages.

This problem could be resolved only with the active participation of concerned officials at the village level. The concerned Executive Engineer, Panchayath Raj Engineering, Zilla Panchayat Vijayapur Sri A. Anjaney who was present during the course of hearing of other cases, is directed to prepare an <u>action plan</u> in respect of specific number of ground water tanks provided in various taluks of Vijayapur district and what is the actual water storage capacity and their source of water and what action has been taken to charge the said tanks and also action taken to clear the encroachments, if any and also the action taken to clear the silt deposited.

Action shall also be instituted to prevent leakage of water from the said tanks in the villages by providing appropriate facility. Initial action plan in respect of Muddebihal Taluk shall be submitted on or before 26-02-2021.

The concerned Engineer shall also submit a report as to how many ground water tanks are under construction and how many tanks are yet to be constructed and what action has been taken to complete them.

The Executive Engineer and Asst. Executive Engineer, Minor Irrigation, Vijayapur, shall also prepare an action plan to utilize the excess water that flows the tanks that are charged from the water of UKP Dam

Almatti so that the said excess water is harnessed properly and fully made was of systematically by constructing check dams and barrages.

The concerned engineer shall also submit/state in the said report regarding the omission and commission of the officials, if any, in that regard. The concerned Engineer shall submit a detailed report in this regard on or before 29-02-2021 failing which he shall appear before this authority on 02/03/2021 with appropriate explanation.

Uplokayukta

To,

Sri A. Anjaney, Executive Engineer, Panchayath Raj Engineering, Zilla Panchayat, Vijayapur.
