

INTRODUCTION

This is the Twenty First Year of the functioning of the Karnataka Lokayukta Institution, after the coming into force of the Karnataka Lokayukta Act, 1984. The Lokayukta under sub-sec. (6) of Sec.12 of the Karnataka Lokayukta Act is presenting this Annual Consolidated Report on the functioning of the Lokayukta. This Twenty First Annual Consolidated Report pertains to the financial year 2006-07 i.e. for the period from 1st April 2006 to 31st March 2007 and it refers to the functions performed by Hon'ble Mr. Justice N.Venkatachala, Lokayukta, for the period from 1st April 2006 to 1st July 2006; Hon'ble Mr. Justice N.Santosh Hegde, Lokayukta for the period from 3rd August 2006 to 31st Mar. 2007 and Hon'ble Mr. Justice G.Patri Basavana Goud, Upalokayukta for the period from 1st April 2006 to 31st March 2007.

2. The focus of Lokayukta this year is on strengthening the Institution in regard to redressal of grievances of the public besides taking action on corrupt public servants.

3. Both Lokayukta and Upalokayukta for the first time started visiting the Districts together to receive complaints from the members of the public. During the year, they have visited, Mandya, Mysore, Hassan, Kodagu, Chamarajanagar, Bidar, Gulbarga, Yadagir, Raichur, Bellary. In the meantime, Lokayukta alone visited Udupi, Karkala and Mangalore. At each place where both Lokayukta and Upalokayukta visited together, there were hundreds of complainants, whose complaints were dealt with by the Lokayukta and Upalokayukta, as the case may be, at the spot by enquiring with the officer concerned who would also be present there and immediate relief secured there itself. In regard to

complaints which required the matter to be examined in detail they were brought to Head Office to be so pursued.

4. At some places where Lokayukta and Upalokayukta so visited, each of them also visited certain public offices necessary for the purpose of their investigation, like Lokayukta visiting Hospital at Mandya, Kidwai Hospital at Bangalore while Upalokayukta visiting other public offices, and both visiting together VIMS, Bellary.

5. The Public Prosecutors, who were conducting prosecution in the Prevention of Corruption cases in various Courts all over Karnataka, belonged to Directorate of Prosecution and therefore, apart from being answerable to the Directorate, they were also burdened with other cases. Hence they could not be suitably instructed to have their day to day work monitored in relation to Lokayukta cases as also they could not concentrate fully for the cases of Lokayukta. Same position was in High Court and Karnataka Administrative Tribunal also. Therefore, the Government was requested for appointing Special Public Prosecutors/Special Counsel to represent Lokayukta Institution before the High Court, Karnataka Administrative Tribunal and Trial Courts. The State Government has accordingly acceded to the request and provided 20 Special Public Prosecutors for the Special Judges' Court in the State and 6 Special Counsel for the High Court and Karnataka Administrative Tribunal. These Special Public Prosecutors / Special Counsels were given refresher course and they were suitably instructed to give periodical progress of the cases.

6. By way of strengthening of the Lokayukta institution, 20 posts of Police Inspectors were got upgraded to that of Deputy Superintendent of Police. As a result, in every District, as on today there is a Lokayukta Police Officer not below the rank of Deputy Superintendent of Police. This has greatly strengthened the investigating machinery. Further, the Police Officers were provided with sophisticated electronic equipments. Government has been requested to sanction additional posts of clerical/police personnel.

7. In the same way the grievances of the members of the public are redressed when Lokayukta and Upa-Lokayukta visit the places, every Lokayukta Superintendent of Police is asked to visit in his respective District, every Taluk Head Quarters once in a month by previously notifying the date and time of their visit, so that the members of the public may present to him their grievances. He is asked to solve the problems with the assistance of the officers concerned and if not possible, to forward the complaints to the Head Office at Bangalore, to be pursued under the Lokayukta Act, monthly reports in this regard has been directed to be sent to the Lokayukta office at Bangalore.

8. The Lacuna in the Lokayukta Act and the anomalies in the Act pointed out by the various decisions of the High Court and Supreme Court necessitated certain amendments to be necessarily carried out for the Lokayukta Act. Accordingly, amendments were proposed to the Government.

9. Further, the stages of the complaints given to the Lokayukta institution can be accessed through the website, including the next

date on which the case is scheduled to be taken up. The website address is www.lokayukta.kar.nic.in.

10. Since the kind of complaints received in the Institution are such as not being possible to be investigated only by the officers of judiciary, police, engineering or state accounts, who are on deputation to this institution, the services of Sri.K.R.Chamayya, former Vice-Chairman, KAT; Sri.M.D.Singh, IPS, former DG & IGP of Karnataka State; Sri.D.N.Munikrishna, former Inspector General of Police and former Member of the Karnataka Public Service Commission; Sri.K.L.Anande Gowda, former Director of Town Planning are utilised under Section 15(3)(b) of the Lokayukta Act and all these services are purely honorary to help the people coming to this institution with their complaints/grievances. In addition, the services of Sri.R.Ganesh Rao and Sri Shankar Murgad, former District Judges, Sri Somashekar, former Special Deputy Commissioner; Dr.Balasubramanyam of Swami Vivekananda Youth Movement, Dr.R.Chandrashekara, former Vice Chancellor of Rajiv Gandhi University, Dr.Hanumanthappa, Dr.Srinivasamurthy and Dr. Kamath of Health Foundation, Bangalore, Sri.Doddachowdappa, former Superintending Engineer, Sri. Parameshwarappa, former Principal Chief Conservator of Forests and Sri.U.V.Singh, IFS, Conservator of Forests have been utilised for individual cases. It would be appropriate to place on record their services rendered to this institution.

11. Lokayukta and Upalokayukta have conducted number of meetings with officers of various departments and have suggested systemic changes for good governance and redressal of grievances of the public and for prevention of illegalities or irregularities

committed by public servants, particularly to prevent loss of revenue to the Government.

12. After the present Lokayukta assumed the office of the Lokayukta, a new dimension was given to Right to Information Act by setting an example by publishing the Assets and Liabilities of Lokayukta, Upalokayukta and other officers of Lokayukta in the Website of Lokayukta. The Lokayukta has also impressed that all the public servants must publish their Assets and Liabilities on the website for bringing about transparency in public administration and also good governance.

13. The submission of Assets and Liabilities Statement of MLAs and MLCs under Section 22 of the Karnataka Lokayukta Act was not strictly implemented earlier. Now, besides strictly enforcing Section 22 of the Karnataka Lokayukta Act, strict action was taken against the default legislators by even resorting to their prosecution, besides declaring that they are unfit to hold their offices.

14. The details of the complaints received, enquiries held, investigations in respect of cases under Prevention of Corruption Act and the investigations held by technical wing of the Institution are brought in detail in the subsequent chapters.

BANGALORE
