5. 7. The institution of Lokayukta is created on the recommendation of the First Administrative Reforms Commission headed by late Sri Morarji Desai. The Administrative Reforms Commission had recommended setting up the institution of Lokayukta for the purpose of improving the standards of public administration by looking into complaints against administrative actions including cases of corruption, favouritism and official indiscipline in administrative machinery. Pursuant to such recommendation the institution of Lokayukta is created under the Lokayukta Act, 1984, which is functioning ever since 15<sup>th</sup> January, 1986. The object of Lokayukta institution is primarily to oversee good governance including prevention of corruption, nepotism and arbitrariness in public administration in the State of Karnataka.

The general perception about the institution of Lokayukta is that it is an organization meant for preventing corruption in public administration. But, the main object of the institution is to oversee good governance. While the Lokayukta Police deal with cases under the Prevention of Corruption Act, the rest of the officers in the institution of Lokayukta assist the Lokayukta and Upalokayukta in dealing with the complaints from the public for redressal of their grievances in relation to the commissions and omissions of the public servants in the discharge of their official duties. There cannot be any dispute that presently the Karnataka Lokayukta has acquired nationwide name and fame as a premier institution fighting corruption and monitoring good governance.

3. The Lokayukta Act provides that the Lokayukta or the Upalokayukta depending upon their allotted jurisdiction can question the arbitrary acts on the part of the public servants and even initiate prosecution in cases where criminal offences are found to have been committed by public servants. The Institution of Lokayukta, therefore, is an independent forum available to public through which they can effectively ventilate their grievances against administrative excesses and lapses and obtain redressal of their grievances. It can also by way of recommendation to Government suggest remedial actions in suitable cases. This Institution has proved to be an effective watch dog against injustice being caused to the citizens, and thereby monitor state actions towards the ideals of a welfare State.

4. Realizing the difficulties of the aggrieved citizens with regard to lack of access to the public servants concerned in seeking

redressal of their grievances, the Superintendents of Police and other officers of the police wing of the Karnataka Lokayukta, posted in district Head Quarters are instructed to visit every taluk coming under their jurisdiction at least once in a month after giving wide publicity and afford an opportunity to the aggrieved citizens to make their complaints and if possible to redress their grievances with the assistance of the concerned officers of the Government. In such cases where grievances could not be redressed at the spot, the complaints are sent to the head office at Bangalore and the matter will be investigated into by the Lokayukta or Upalokayukta as the case may be.

5. 24x7 HELPLINE commenced in Karnataka Lokayukta to take care of cases of emergency is functioning round the clock and in many cases, the same has proved to be very helpful to the aggrieved citizens in getting immediate and timely relief. With this facility, the aggrieved citizens have been getting speedy relief and assistance in Government offices particularly in hospitals and police stations throughout the State in emergency situations. 24 x 7 HELPLINE was inaugurated by his Excellency the Governor of Karnataka on 25<sup>th</sup> March 2008 and the said facility can be availed by dialing 155320 and 18004255320 which are toll free numbers. 24 x 7 HELPLINE can also be availed by dialing 22375014.

6. The Lokayukta and Upalokayuktas also take Suo Moto notice of complaints coming within their jurisdiction, In certain cases where the Complainants have sent the complaints without Form Nos. 1 & 2 they will be sent to the complainants and after receipt of the complaints in the prescribed form, further action will

be taken in respect of such complaints. Form Nos. 1 and 2 can also be down loaded from the website of Lokayukta Institution, [www.lokayukta.kar.nic.in](http://www.lokayukta.kar.nic.in). The status of complaints filed in Lokayukta institution can be accessed by the complainants through the said website. Complaints from the public are also received by the officers/officials of Karnataka Lokayukta in the offices situated at all District headquarters and thereafter, the same are forwarded to the Head Office at Bangalore for taking further action.

9. During this year, there is considerable progress in the disposal of complaint cases that were pending in this institution, which is attributable to the work done by the officers concerned who function as scrutiny and enquiry officers. In number of cases grievances of the public with regard to the difficulties faced by them in getting old age pension, disability pension, Below Poverty Line cards, etc., etc. are redressed by contacting the concerned officers of the Government.

15. The details of the complaints investigated into under the Lokayukta Act, enquiries conducted under Karnataka Civil Services (Classification, Control and Appeal) Rules, 1957, cases investigated by the Lokayukta Police for the offences under the Prevention of Corruption Act and investigations handled by the Technical Wing of the institution are indicated in detail in this report.
