SCRUTINY AND OPINION

KARNATAKA LOKAYUKTA, BENGALURU

Date : 16.5.2017

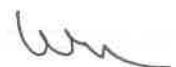

Sri Gopal Rao, S/o.Muniyiji Rao, R/o.No.129, Mandur, Via Virgonagar, Bengaluru, has given a representation dtd.5.4.2017 addressed to Lokayukta, setting out certain undesirable practices in the Society which seriously violates the provisions contained in The Juvenile Justice (Care and Protection of Children) Act, 2015 (herein after referred to the said Act) and which are made punishable under Section 76 of the Act. He also submitted that on regular basis the trafficking in girl child is taking place in Bengaluru and other parts of the State supported by a mafia who carry on a profession in trafficking in women and more particularly the girl child. He also further submitted that even the grown-up ladies are also being used for trafficking and illicit purposes. The attempts made on many occasions to rescue them are being frustrated by certain persons including the parents/guardians of the children and close relatives of the women who are being rescued. He highlighted several issues which requires immediate intervention by the authorities of the State to protect the child and women and for the said purpose Lokayukta may get an investigation done by exercising its suo-moto power. It is his submission that trafficking of children and women is a serious violation not only human rights, but also rights guaranteed under

Lok Sabha - 1223/17 3

Article 21 of the Constitution of India and the provisions contained in the Act.

2) After going through the statements made in the representation and also after hearing Sri Gopal Rao and Smt.K.Anitha Shivakumar, who were present before me and also keeping in mind the provisions contained in the said Act, I am of the view that it is desirable to initiate suo-moto action to get the matter thoroughly investigated. Accordingly suo-moto action is initiated and office is directed to accordingly register the proceeding. I am prima-facie satisfied, there has been a total inaction on the part of the authorities who are entrusted with the responsibilities of giving effect to the provisions of Cognizable offence under various provisions of the Act and prevent the commission of offence referred to in the said Act and protect the interest of the Children and Women. It is needless to point out that the Children and Women who are being used in the circumstances stated above belong to the weaker and vulnerable sections of the Society, and who are not in a position to protect their interest themselves.

3) Several programmes are introduced by the Government of India and the Government of Karnataka and the Women & Child Welfare Department to protect and improve the conditions and

quality of life and liberty of Children and Women. However, it appears on account of lack of desired commitment on the part of the officers and authorities who are entrusted with the responsibility of protecting the interest of Children and Women effective measures are not being taken. It is a common experience of everyone that during festival time at places of worship, at traffic signals and busy market places the children are begging and many compassionate people giving them alms, purely on sympathetic consideration without realizing that there is a big mafia behind these children who are made to beg. The begging by innocent and unprotected children is serious in road to the rights and comes in the way of their growth and participation of securing the benefits of several welfare measures introduced by the State. It cannot be denied that the parents of children belonging to under privileged section of the society on account of their severe poverty and helplessness are being mis-lead and cheated by the mafia who are behind in making the children to beg. Such mafia deserves to be identified and appropriate criminal prosecution is required to be launched and dealt with firmly by the State and its authorities. Any lethargic or inaction which is in the nature of mal-administration will have to be viewed seriously.

4) Further, it is also noticed that on several occasions in the guise of selling of certain products at the traffic signals small children are used by the mafia. The mafia are using the small children for begging denying their rights to get education. It is a matter of serious concern and requires to be attended to by all the concerned. I have only highlighted few of the issues and I should be able to have a larger picture with the assistance of the authorities and officers who are involved and entrusted with the responsibility of protecting the children and women.

5) At this stage I need to reproduce the definition of beggary as provided under Section 2(8) of the said Act which is as below –
Sec.2(8) “begging” means –

(i) soliciting or receiving alms in a public place or entering into any private premises for the purpose of soliciting or receiving alms, under any pretence;

(ii) exposing or exhibiting with the object of obtaining or extorting alms, any sore, wound, injury, deformity or disease, whether of himself or of any other person or of an animal;”

6) Section 76 of the said Act provides for imprisonment up to 5 years for contravention of provisions of the Act. The law enforcing the authorities have greater responsibility and obligation to protect the interest of the uncared for and

unprotected innocent members of the Society i.e., children and women. It is needless to point out the inaction on the part of the authorities in protecting the interest of the vulnerable section of the Society referred to above, in my view amounts to mal-administration by the concerned within the meaning of Sub-section 10 of Section 2 of Karnataka Lokayukta Act.

7) Under these circumstances, I am of the view that, it is necessary to get the entire matter investigated and in order to give positive direction, it is just and necessary to issue notices to the following authorities and necessary to get the response from them with regard to the steps already taken for effective and meaningful implementation of the provisions of the said Act and to protect the interest of the Children and Women and prevent them from trafficking in Child beggary etc.,

8) Therefore issue notices to the following and call for report/comments from –

a) The Additional Chief Secretary to Government (Home), Home Department, Vidhana Soudha, Bengaluru.

b) The Director General & Inspector General of Police, Karnataka State, Nrupathunga Road Bengaluru.

c) The Principal Secretary to Government, Women & Child Welfare and Empowerment of Differently Abled & Senior Citizens, Bengaluru.

d) The Commissioner of Police, Infantry Road, Bengaluru City, Bengaluru &

Ad/BOP-1223/17

6

e) The Director, Department of Women & Child Welfare, Bengaluru.

9) The Officers referred to above are directed to respond to the problems highlighted above and submit their report/comments on or before 15.6.2017.

10) Issue notices to the Officers referred to above and to Sri Gopal Rao, S/o.Muniyiji Rao, No.129, Mandur, Via Virgonagar, Bengaluru – 560 049 and the officers referred to above are directed to depute one of the responsible officers of their department who will be able to assist the Lokayukta on the date of hearing.

11) Copy of the representation given by Sri Gopal Rao also may be sent to the officers referred to above for their consideration and needful action.

ORDER

Sri Gagandeep, ADGP, Crime Branch, incharge of State relating to Crime & Technical Services is present pursuant to the notice issued by the Lokayukta. A report dated 13/06/2017 has been filed before the ARE-1 setting out the steps taken by the authorities to protect the interest of women & children. The said report is placed on record.

Sri Ram Niwas Sepat, DCP (Crime) on behalf of the Commissioner of Police, Bengaluru City is present. He submits that, he has filed a report dated:14/06/2017 setting out the action taken to protect the interest of the women & children within the Bengaluru City. The report is placed on record.

Smt. Lakshmikanthamma, Deputy Director of Women & Child Welfare Department, Bengaluru is present. She has filed a report on behalf of the Director, Women & Child Welfare Department, setting out the steps taken by the Department to protect the interest of

the women & children in the State. The said report is placed on record.

The copy of the report submitted by the Women & Child Development Department, Bengaluru may be supplied to the ADGP & DCP and the copy of the report submitted by the ADGP & DCP may be supplied to the Director, Women & Child Welfare Department.

I have heard all the officers referred to above in detail and discussed the various issues that have arisen for consideration, for the protection of women and children in the State. In the light of the discussion, it is felt that, it is necessary to get the information regarding the following aspects:

(1) The information regarding the women and children who have been missing in every village in the State.

(2) If there is any complaint given with regard to the missing of women and children, what are the steps taken by the authorities i.e., by the Police, Department of Women and Child Welfare and the Social Welfare Department to trace them out and also steps taken to prosecute the culprits.

(3) The measures taken by the Police, Department of Women and Child Welfare and the Social Welfare Department for rehabilitation of the victims.

After discussion, it is felt that, it is necessary to hear and consider the views of the Department of Social Welfare. Therefore, issue notice to the Principal Secretary to Government and the Commissioner of Social Welfare Department and forward the copy of this order along with earlier order. They are directed to file their report by the next date of hearing.

It is needless to point out that the innocent women and children are being used by the big mafia. It is needless to mention that it is the duty of the authorities, who are under an obligation to protect the interest of the women and children to take effective steps and measures to protect their interest. Apart from the Department of Women & Child Welfare and Department of Social Welfare, the Police in the State can play a positive and constructive role in this effort.

Sri Gagan Deep, ADGP and Sri Ram Niwas Sepat, DCP assured that they will take effective measures with the assistance of their departmental colleagues and other

officers of the State to protect the interest of the women and children. The information sought for above, in my view, can easily be collected by the officers referred to above through the Deputy Commissioners, Chief Executives Officers of ZP and the Superintendent of Police of various districts in the State, who in turn can collect the information from the Panchayath level officers.

It is also needless to mention that, if a request is made by the officers referred to above, the Deputy Commissioners, Chief Executives Officers of ZP and the Superintendent of Police of various districts in the State would take effective steps to furnish the information required by the officers referred to above to protect the interest of the women and children.

It is also needless to point out that, at the districts and taluk levels, the officers belonging to the Women and Child Welfare Department, Social Welfare Department and Police are also under an obligation to take effective steps to protect the interest of the women and children. Any dereliction of duty on the part of the officers concerned may have to be considered as mal-administration and the matters may have to be viewed seriously as any violation of the rights of women and children would violate the rights guaranteed under Article

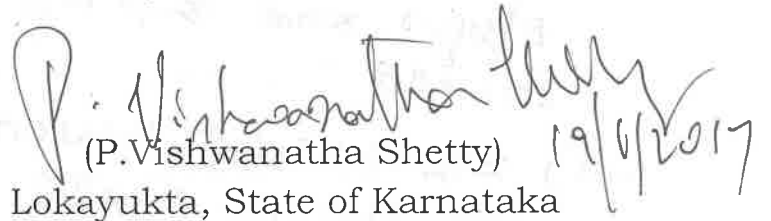

21 of the Constitution and it also amounts to total disregard of Human Rights.

I am sure since the suo-motu proceedings initiated by the Lokayukta concerns, the interest of the vulnerable sections of the society i.e., women and children, the district administration headed by the Deputy Commissioner, Chief Executive Officers and Superintendent of Police of the District will work together to protect the interest of the women and children and co-operate with the officers referred to above.

The officers referred to above are given 8 weeks time from today to comply with the directions given above. Communicate this order along with earlier order through E.mail and registered post to the Deputy Commissioners, Chief Executive Officers of ZP and Superintendent of Police of all the districts in the State including Bengaluru Urban and Rural Districts.

In the light of the figures given, in the report filed before me referred to above, I am of the view that it would be in the interest of justice to consider the following matters for the purpose of effective rehabilitation/recovery of the children who have not yet been recovered.

(1) The Women and Child Development Department is directed to file a status report with regard to the steps taken by the department regarding the information they have collected in respect of which FIRs have not been registered.

women are untraced and the same are set out in the report. The details of Children and Women traced out are also furnished in the report submitted by the Women & Child Welfare Department.

3) The Inquiry Officer to examine the report and submit his comments/scrutiny note on the report submitted by the Joint Director, by the next date of hearing.

4) It is needless to point out that necessary efforts are to be made to trace out the untraced children and the Women and also to rehabilitate the children and the women who have been traced appropriately.

5) With regard to the above the status report, to be filed by the next date of hearing.

6) Smt. Narmada Anand, Project Director, Integrated Child Protection Scheme, submitted that the department has now reconciled after discussion with the Police department with regard to the cases of FIR registered and not registered and only in 57 cases FIR has not been filed. the status report even with regard to the 57 cases will be submitted, by the next date of hearing.

7) On behalf of the second respondent, Dr.Ashwini, IPS, Additional Inspector General of Police, Crime, is present along with Sri Kenche Gowda, in charge Dy. Superintendent of Police (Crime), O/o.DG & IGP, Karnataka State, Bengaluru.

8) Dr.Ashwini has filed the status report, in the light of the directions given by me in my earlier Order dated 29.8.2017. It is further submitted by her that the report submitted indicates the following –

(1) The report indicates the list of untraced children, women along with their age, addresses and other particulars.

(2) She also submitted that the details of the children and women traced are furnished in the form of CDs as the number of children and women traced are huge, and details of each of them was required to be furnished.

(3) The report furnished in the form of booklet and CD is placed on record.

9) Sri Jinenendra Kanagavi, Dy. Commissioner of Police-2, O/o. Commissioner of Police, Bengaluru City is present along with Sri G.U. Some Gowda, Asst. Commissioner of Police, City Crime Record Bureau, Bengaluru. They submitted that they are in charge of Bengaluru City only. The information they have submitted to the Director General & Inspector General of Police, is part of the report submitted by Dr. Ashwini and therefore, they are not required to submit any additional report.

10) In the course of discussion, it is felt that all the two departments – i.e., the Police departments referred to above and the Women and Child Development department should have regular interaction at least once in three months with the sufficient prior notice given to each one of the department with the proper agenda circulated in advance for discussion and thereafter drawing up of the detailed proceedings of the discussion and conclusions reached. In addition to the departments mentioned above, it is desirable that the department of Social Welfare and the Department of Labour who are mainly entrusted with the responsibility of preventing child labour, being exploited are involved in working out the

programme for the welfare of the children and women by the departments referred to above.

11) Having regard to the nature of the issues involved and the huge responsibilities, it is desirable that the Principal Secretary to Government, Women and Child Welfare and Empowerment of Differently Abled and Senior Citizens, Bengaluru, conveys the meeting and discuss the problems periodically as stated above, and in consultation with the officers of the departments referred to above formulates appropriate programme to protect and trace out the women and children who are missing and to rehabilitate those who have been traced.

12) It is needless to point out that the children and women who are missing and who are now being traced by the efforts of the various departments, belong to the deprived section of the Society. They require little more care, compassion and sympathy from the Society and more particularly from the officers who are entrusted with the responsibility of protecting their interest. Therefore, the department of Women and Child Welfare is required to focus more on various schemes and

BCD - 1223/17

- 28 -

programmes conceived and framed and also that may be required to be framed to protect the women and children referred to above.

13) It is also brought to my notice that the City Crime Branch under a Central Government Scheme known as "**Operation Muskaan-III**" – an operation smile scheme, introduced by the Government of India, is observed throughout the country. It is pointed out that 78 children in Bengaluru City have been traced and in the entire State 249 children have been traced. It is submitted by them, that serious efforts are being made in this scheme to trace out the children on record.

14) In the light of the observations made above, I am of the view, it would be in the interest of justice to direct the parties mentioned in this order to file their further status report with regard to the steps taken on various issues raised, within four months time and in the meanwhile they are directed to take effective remedial measures to trace out the missing children and women and also for their rehabilitation.

7. The figures submitted by Dr. Ashwini shows that, out of 613 women, who were found missing during the year 2015, only 25 have been traced and

still 588 are required to be traced. Similarly out of 668 women, who were missing during the year 2016, only 51 were traced and still 617 women remains to be traced. So for as the year 2017 is concerned out of 955 women missing, only 370 were traced and still 585 remains to be traced. For all the three years out of 2236 women missing, still 1798 women to be traced. It is fairly large number.

8. As noticed by me earlier, the details of missing women is set out in the separate booklet produced along with the report. It is pointed out that the FIR has been registered in respect of all the missing women. It is needless to point out that the State police and more particularly the jurisdictional police will have an obligation to protect the life and liberty of the said missing women. It is the duty of the concerned authorities to trace out the women within reasonable time. As noticed by me earlier, it is imperative that effective steps are required to be taken to trace out the women who have not yet been traced. I am sure by the next date of hearing, the

department of Women & Child Development and the police would take an effective steps and show substantial progress. **They are given time to take effective steps and file states report till the end of June 2018.**

9. Similarly, so far as the boys are concerned, out of 419 boys missing in the year 2015 to 2017 only 82 boys were traced and still 337 boys remains to be traced. So far as girls are concerned, out of 583 girls found missing, only 131 girls have been traced and 452 girls are remains to be traced. According to this statement, the children still remains to be traced are large number. What I have stated with regard to the steps required to be taken to trace the untraced women are concerned would also applies so far as the children (both boys and girls) are concerned. The concerned officers have to show higher commitment and concern in tracing out the missing children (both the boys and girls) as they are more vulnerable than the missing women.

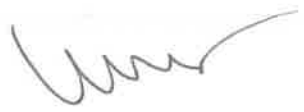

10. The details furnished in the booklet indicate the particulars of the children missing within the jurisdiction of each of the police station. It is needless to point out that the Women & Child Development Department along with the jurisdictional police and state police are required to trace out substantial number of missing women & Children, by the next date of hearing and file a status report.

11. It has also come to my notice that the information furnished to the NGOs about the missing of either women or the children, the concerned NGOs are not bringing the same to the notice of the jurisdictional police. Unless the police are informed about the missing of the women and children, it will be very difficult to trace out the victims. Therefore, it is needless to point out that the concerned NGOs, police and others, who are aware of the missing of the women and children have an obligation to inform the jurisdictional police to trace out the victims. In this connection, the

Department of Women and Child may give necessary instruction to the concerned. It is also needless to point that out all the concerned departments should use appropriate mechanism available to effectively trace out the missing women and children. They are directed to file the strategy report setting out programme through which efforts will be made to trace out the women and the children. It is also in public domain that many women and children are being enticed by undeserving persons. The police will have to take effective steps against such persons.

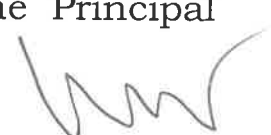

12. It has also come to my notice during my visit to the districts that large number of vacancies in Women & Child Development Department has remained unfilled. It is needless to point out that the Women and Child Development Department is meant to take care of the vulnerable section of the society, mainly women and children and they require grater care. Therefore, non filling of the post would have serious effect on the administration and protection of women and children. In the light of

what is stated above, I am sure the concerned authorities will consider the observation made above and take effective steps to fill up the vacancies in Women and Child Development Department without further loss of time.

13. It is also come to my notice that many of the missing children are being used for the purpose of beggary. However, in the course of discussion, it is also highlighted that if a women with the child is found begging, there is no provision made to retain both the mother and the child together in the rehabilitation centre and in that situation the department has to produce the mother and the child before the jurisdictional Magistrate for appropriate order. This is a matter requires consideration by the authorities concerned and to take effective steps by the next date of hearing and file a status report with regard to the steps taken.

14. In the light of what is stated above, it is in the interest of justice to issue notice to the Principal

Secretary, Social Welfare Department and to have his comments on this matter. It is needless to point out that, when the destitute women ~~are~~ [✓] begging with a child are found, it is the duty of the state to take effective measures to rehabilitate both mother and child together. In my view, permitting the begging prima-facie appears to me is violation of human rights and also negation to the right to life guaranteed under Article 21 of the Constitution of India. Under these circumstances, it is for the concerned authorities to prepare a programme to rehabilitate both mother and the child together for their development.

14. Communicate this order to the parties concerned.

The concerned officers have to show higher commitment and concern in tracing out the missing children (both the boys and girls) as they are more vulnerable than the missing women.

It was also discussed to conduct review meeting regularly to reconcile data of State Crime Record Bureau and Missing Child Bureau.

Out of 223 children who were missed from various institutions run by the Department and untraced since 2015 to July 2017, 80 children were traced till June 2018. Rehabilitation details are as follows.

Details of children

- 10 The details furnished in the booklet indicate the particulars of the children missing within the jurisdiction of each of the police station. It is needless to point out that the Women & Child Development Department along with the jurisdictional police and state are required to trace out substantial number of missing women & Children, by the next date of hearing and file a status report.

Whenever the children and women are housed in institutions for children and women run by the Department of Women and Child Development are missing, complaints are being lodged with the jurisdictional police by the head of the institutions.

It is the duty of the police to make efforts to trace missing children and women and rehabilitation is done by the Department whenever they are traced.

The details of children and women who were missing till July 2017 from the institutions run by the Department and number traced till the end of June 2018 and rehabilitations details are provided in the tabular statement as above. (Para no 8 and 9)

- 11 It has also come to my notice that the information furnished to the NGOs about the missing of either women or

Under Chairmanship of Principal Secretary, Women and Child Development Department, a meeting with the police department and NGO (Missing Child Bureau) was convened on 19.2.2018. In the meeting it was discussed

the children, the concerned NGOs are not bringing the same to the notice of the jurisdictional police. Unless the police are informed about the missing of the women and children. it will be very difficult to trace out the victims. extensively about reconciliation of the data, tracing of missing children, repatriation of children outside State.

Action is initiated to repatriate children from the other State/ to receive children who are residing in other States.

Complaints received by Missing Child Bureau (NGO) are being submitted to respective Police stations for needful action.

Directions have been issued to all Districts Child Protection Officers and Superintendent of Child Care Institution to lodge a FIR in case of children missing from the institutions.

4) The report extract mentioned above indicates the number of women and children traced and the steps taken to rehabilitate/release them. One other aspect that is required to be submitted by all the concerned officers is that they have to trace the missing women and children subsequent to July, 2017. The said figure is not placed before me. By the next date of hearing, all the parties are directed to submit the figures with regard to the missing of women and children from July, 2017, up to date and the number of women and children traced out of them and steps taken to rehabilitate them. One more aspect that is brought to my notice, in the course of hearing by Smt.Narmada Anand is that, out of the missing children, some of them belonged to the migrant labourers' children and therefore it may be that they have gone to their parent states. In the light of what is stated above, it is desirable to direct the respondents to furnish the details of missing children of migrant labourers or women and the local children and women.

5) In the course of the hearing of this proceeding Smt.Narmada Anand, also submitted that two meetings were held with the Principal Secretary to Government and the

She further submitted that, it was also decided that such meeting should be conveyed atleast once in three months to address the issues with regard to the welfare of women and children.

- 6) Sri Jinendra Kanagavi submitted that they have sent a report dated 27.06.2018 to the DG & IGP, Karnataka State and has also filed a report dated 27.06.2018 today. It is useful to extract the relevant portion of the report which reads as under –

Sub: Conducting Operation Muskaan, Special Drive to trace missing Persons/ Children during October November and December of 2018.

** ** *

As per the National Human Rights Commission Action Research Report 2004, majority of the missing cases can be linked to Human Trafficking . Persons/ children getting trafficked end up in slavery. This clearly violates articles 3 and 4 of Universal Declaration of Human Rights and article 23 of the Indian Constitution.

The issue of missing persons needs to be given serious attention by Unit Officers. There should be proper documentation ,monitoring and analysis of the missing cases. Children seen loitering around parks, bus stands, etc. are to be monitored and accounted for by beat police personnel.

Living in the dark about the fate of close relatives and friends is the harsh reality being faced by the hundreds and thousands of families of persons/ children missing. The quality and efforts made by the department in handling

Lok/BCC-1223/2017⁶ - 57-

missing cases of persons/ children is being questioned repeatedly by the Hon'ble High Court of Karnataka.

Hence on the lines of special campaigns "Operation Muskan", a special drive is being proposed to trace missing persons / children in State for the months of October, November and December 2018.

A report dated 15-11-2018 on behalf of Central Relief Centre has been filed.

The statement submitted by DG & IGP along with the report dated 29-11-2018 sets out the details of women, girls and boys who have been missing since the year 2015 till the date of filing of the statement and the number of cases reported; number of cases detected; number of cases remained undetected; percentage of the detection made etc., If one goes through the report, in my view serious effort are required to be made by all concerned for tracing out un detected women, girls and boys from the year 2015. As on the date of submission of report 6188 women remained untraced while 385 girls and 380 boys remained untraced. The women, girls and boys remained untraced

for the last nearly four years is 6953 and it is not a small number. In this back ground, I am of the view that it is in the interest of justice to direct the respondents no. 2 and 3 to submit a further detailed report setting out the details of the name and address of each of the women, girl and the boy who have been missing and the jurisdiction of which police station they fall and from where they have been missing and the steps taken by each of the authorities to trace those women, girls and boys. The statement may also indicate the steps taken by the authorities to hold the persons/officials who are responsible for not taking effective steps for tracing those women, girls and boys. They are also required to file the additional up-to-date statement by the next date of hearing. They are given time till the end of February - 2019.

In the course of the hearing, it is brought to my notice by Sri. Chandra Naik that there are 14 Relief Centres in the State to rehabilitate beggars. There are around 2800 persons both women and men are housed in the said Relief Centres. It is also submitted by him in the course of the hearing that they are allowed to continue in the Relief Centres for a period of 1 to 3 years and at the end of the third year they are released.

On my query, Sri. Chandra Naik submitted before me that each one of the beggar who are housed in the Relief Centre is paid a sum of Rs.10/- per day (daily wage) and generally each one of them at the end of the third year is able to save around Rs.3,000/-. I find that the wages they are being paid is on the lower side and prima-facie it appears to me that it is an exploitation of helpless people. A reasonable wage is required to be paid so long as work is extracted from such a person. The Hon'ble Supreme Court while considering the wages to be paid to the temporary employees has evolved a principle of "*equal pay for equal work*" and State is required to be an ideal master. The said principle would equally apply to a section of the people who have unfortunately become beggars and are being rehabilitated in the Relief Centres by the State. The Rehabilitation programme must be to rehabilitate those people after they are released from the Relief Centres. This is a matter on which the authorities concerned will have to bestow their attention and take early decision in the matter.

Sri. Chandra Naik has also brought to my notice that there is a primary health centre attached to the Rehabilitation Centre and a doctor from NIMHANS used to

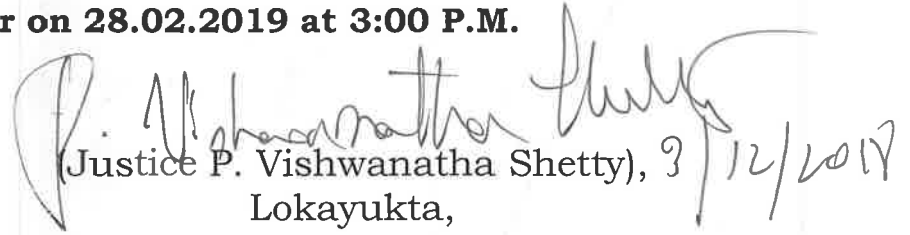

visit the centre once in two weeks and proper care is being taken to keep the inmates of the centre comfortably.

Having regard to the facts and circumstances of the case, I am of the view that it may in the interest of justice for me to visit the Rehabilitation Centre. **Accordingly, visit of the centre is fixed on 26-12-2018 at 11:00 A.M.**

Communicate this order to the parties concerned.

List this matter on 28.02.2019 at 3:00 P.M.

local bodies to the relief centre. It is pointed out by Sri Chandra Naik, that unless the authorities of BBMP and other local bodies regularly remit the beggary cess collected by them to the account of the relief centre, it would be difficult for them to improve the quality in the other 13 centres spread out in various parts of the State. He also brought to my notice the direction given by the Hon'ble High Court in Writ Petition No.10075/2007 (GM-RES-PIL) by means of its order dated 8.09.2011, wherein the Hon'ble High Court of Karnataka has directed the BBMP to remit the beggary cess. It is useful to extract the relevant portion of the direction given by the Hon'ble High Court of Karnataka which reads as hereunder –

“5. We have given our thoughtful consideration to the submissions advanced by the learned counsel for the BBMP. We are of the view, that the BBMP is merely a collecting agency, and holds the collected amount of beggary cess as a trustee, for onward transmission to the Central Relief Committee. It is not open to the BBMP, after having collected the beggary cess to retain it for itself. Such an action would undoubtedly, amount to misappropriation thereof, which would lead to serious penal

consequences. There can be no excuse for not transferring the amount actually collected by way of beggary cess, to the extent the same has to be transferred to the Central Relief Committee. Accordingly, we hereby direct the BBMP to transfer 90% of actual collections made by it under the Circular dated 30.08.1976 to the Central Relief Committee within two weeks from today, failing which, the BBMP will expose itself for consequential prosecution.

6. Even though, the instant writ petition is disposed of with the aforesaid directions, we consider it just and appropriate to direct the BBMP to furnish the details of the total beggary cess collected, and the consequential deposit made with the Central Relief Committee in its report. It shall be imperative for the BBMP to depict in the report, the details of such of the amounts which, though collected by way of cheques have not been recovered on account of non-realisation thereof. The report shall be placed on the record of this case within four weeks from today. A copy of the aforesaid report shall be furnished to the learned counsel for the petitioner. Needless to mention, that it shall be open to the petitioner to revive the instant writ petition by moving an interlocutory application in case, the funds

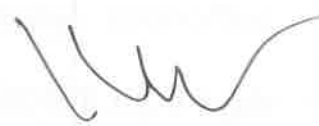

84 -

collected by way of beggary cess are not deposited with the Central Relief Committee in terms of the Circular dated 30.08.1976.

7. It is also hereby directed, that the BBMP shall deposit the full amount collected towards beggary cess, quarterly hereafter, without any deviation."

12) The observation made by the Hon'ble High Court extracted above, clearly shows that the BBMP is only the collecting agency of beggary cess meant for beggars welfare. Therefore, the BBMP is the trustee of the funds collected as beggary cess and it cannot retain that money beyond any reasonable time.

13) Further, in complaint No.Compt/LOK/BCD-39/2019/ARE-1, filed by one Sri Kishore.H.K. making grievance that the BBMP has failed to transfer the beggary cess to the Central Relief Committee, pending on the file of the Lokayukta, I have issued notice to the BBMP authorities. I had called for the report from the BBMP authorities and the matter is posted on **23.3.2019.**

14) It is needless to point out that the BBMP has collected the beggary cess in terms of Section 31 of the Karnataka Prohibition of Beggary Act 1975, which is meant for the purpose of the welfare of the beggars who are being rehabilitated in various beggary centres in the State. The inaction on the part of the BBMP in not regularly remitting the amount, after collecting the beggary cess may have to be considered as a serious mal-administration on the concerned officers of the BBMP, who fail to remit the amount to the Central Relief Committee.

15) It is needless to point out that the lack of funds by the centre would seriously affect the welfare measures to be taken by the Centre. Therefore, Sri Chandra Naik, is directed to send a reminder to the BBMP and also to all the local bodies, who collect the beggary cess and failed to remit it to the centre, calling upon them to remit the beggary cess, setting out the details of the amount due by the BBMP and other local authorities, requesting them to remit the amount within seven days from the date of receipt of the communication. He is also directed to file a status report with regard to the amount

collected from the BBMP and other local bodies **on or before 23.3.2019** on which date the file No. No.Compt/LOK/BCD-39/2019/ARE-1 is posted for consideration.

16) In my earlier order dated 3.12.2018, I had indicated that the wages that are being paid to the beggars at the Relief Centre at the rate of ₹10/- per day is too meagre. It is needless to point out that it amounts to unfair labour practice. Even the convicts who are ⁱⁿ ~~under~~ the custody are paid much better wages than the beggars. The State cannot be allowed to exploit the labour/persons, who are retained in the Rehabilitation Centre on the ground that they were found engaged in begging. The Centre has the duty and obligation to pay reasonable remuneration for the services rendered by the inmates or the labour they put. The utilization of the beggars should not give impression that the centre is using the inmates as bonded labours. Though I had indicated in my earlier order that reasonable wages has to be fixed, but, till now no effective steps have been taken. I am not satisfied with the explanation given by Sri Chandra Naik for not taking effective steps for enhancement of the wages to the inmates of the centre. I am

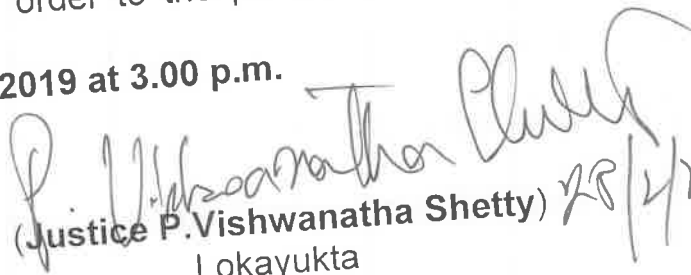

Lok/Bcd - 1223/17. 81-

sure, within a fortnight, the concerned will take steps to fix a reasonable remuneration for each one of the beggars/inmates who are in the Centre, throughout the State. **Sri Chandra Naik, is directed to file a Status Report within four weeks with regard to the steps taken for the purpose of fixing the higher remuneration to the beggars/inmates.**

17) I had the occasion to visit the "Nirashrithara Parihara Kendra", Jyothinagara, Mysuru on 9.1.2019. On my direction, the Superintendent of Police, Karnataka Lokayukta, Mysuru had submitted a report dated 10.1.2019. A copy of the report is made available to Sri Chandra Naik. He may examine the report and take necessary remedial measures to improve the Centre at Mysore and file the status report with regard to the steps taken by the next date of hearing.

Communicate this order to the parties concerned. List this case on **27th June, 2019 at 3.00 p.m.**

5. The report extracted above shows that, from the year 2015 to 2019 total 35072 women have been reported missing and out of that, 31737 women were traced and still 3335 women are required to be traced. The report filed on the previous date of hearing (i.e., 27-02-2019) shows 6188 women were to be traced till January 2019. As noticed by me earlier, since September 2018 till the date of filing of the report dated 26-06-2019, only more than 60% of the missing women are traced and only 3335 women are required to be traced ($6000-3335=2665$).

6. Similarly, so far as girls are concerned, the report filed on the last date of hearing shows 385 girls were required to be traced. However, the report dated 26-06-2019 extracted above shows that as on the date of filing of report, 216 girls are required to be traced.

7. So far as the boys are concerned, the report filed on the previous date shows 380 boys were required to be traced and as on the date of filing of the report dated 26-06-2019, 215 boys are required to be traced.

8. Sri. E.Kenchegowda, Deputy Superintendent of Police (Crime), submits that boys and girls traced were handed over to the custody of the parents. He also submits that similar is the position so far as the women are concerned.

9. It is needless to point out that the effective steps are required to be taken to trace out the remaining 3335 women, 216 girls and 215 boys. It is also needles to point out that the Department of Police and all other authorities who are interested in safeguarding of women and children, are required to take effective steps to prevent missing of boys, girls and women from their respective houses. This requires constant vigil by the jurisdictional Police. It is needless to point out that necessary instructions/directions are required to be given by the higher authorities of the Police Department to the jurisdictional Police regularly and continue to monitor missing of women, girls and boys. This closest scrutiny or monitoring of missing of children and women would certainly go a long way to prevent 3rd parties making effect to cause disappearance of women and children for their personal gain or benefit.

Failure to either trace out the missing women and children or prevent such disappearance of women and children, it is needless to point out, results in violation of human rights and Right to Life and Personal Liberty guaranteed under Article 21 of the Constitution of India.

10. The report extracted above for the period from 2015-16 to July 2017 shows that there were 23 untraced women till January 2019 and out of that not even a single women has been traced. The report filed for the period from August 2017 to January 2019 shows that 14 women were untraced and from February 2019 to May 2019, 05 women were missing and in all 19 women were missing during the period between August 2017 to May 2019 and out of that, only one women was traced and she was restored to her family.

11. The figures given by Women and Child Development Department indicate the women who are missing from the institutions attached to the department. I am unable to appreciate, how the women who are housed in the institutions run by the department, can escape from the

institution? Prima-facie it appears to me unless there is lapse on the part of the person's in-charge of the institutions and there is a satisfactory explanation for missing of women, possibly the head of the institutions who are managing the institutions, may have to be held accountable. This calls for investigation. Instead of handing over the investigation to 3rd party agency, for the present, I am of the view, it would be in the interest of justice to direct the Director of Women and Child Development Department to get an investigation conducted as to the circumstances under which the women were missing from each of the institutions and the steps taken by the concerned who are in-charge of the institutions as and when the women were missing to trace them. She is given three months time to get an enquiry/investigation conducted and submit the report.

12. The statement filed regarding missing children from 2015-16 to July 2017 and untraced till January 2019 shows 123 were untraced and out of them only 03 children were traced till May 2019 and out of them 02 were

admitted to the institution and one was released to the parents. The details of the name, address and age of the missing women and children and the efforts made to trace out by the department is also required to be filed by the next date of hearing.

13. Sri. E.Kenchegowda, Deputy Superintendent of Police (Crime), is also directed to file his statement with regard to the missing women and children by the next date of hearing and also steps taken by the Police to trace out those women and children. Sri. E.Kenchegowda also brought to my notice the Circular which was produced along with the status report directing the authorities to conduct special drive in the month of July. While I appreciate some steps are being taken by the authorities by issuing Circular to activate the concerned for the purpose of tracing out missing women and children, I am more concerned about the result than the official Circular issued.

14. It is also needless to point out that the Department of Women and Child Development and also the Police are

required to verify from the Beggars Rehabilitation Centers located throughout the State as to any of the missing women are in the Rehabilitation Centers.

15. Four months time is granted to the authorities to file the status report with regard to the steps taken in the light of the observation made above. The Director of Women and Child Development has to submit the report with regard to the enquiry held by her, by the next date of hearing.

16. Communicate this order to the parties.

6. Till April 2019, 3335 women were required to be traced. Now the number has gone upto 3452. It is submitted by Sri. V.K.Vasudev, Deputy Superintendent of Police (Crime), that it has happened on account of increase in number of complaints and missing of women. However, so far as girls and boys are concerned, as against the untraced girls of 216, till April 2019 ^{an} ~~is~~ concerned, the same has now been reduced to 36. Similarly, so far as boys are concerned, the untraced boys 215 till April 2019, the same has been reduced to 137. Though the figures are given, it has not been set out in detail the outcome of such investigation and prosecution if any launched by filing charge sheet against the culprits and the steps taken to rehabilitate those missing persons. Hence, the details as stated above are required to be submitted by the next date of hearing and the cause for disappearance of the persons referred to above.

7. In the statement submitted, I found that from one institution known as 'Spoorthidhama' located in Belur village of Kundapura Taluk, Udupi District is concerned,

- 112 -

children were missing repeatedly. This is a matter which calls for investigation against the said institution. I am sure the concerned authorities would take up this matter seriously. It is needless to point out that the institutions are established for the purpose of protecting the women and children and the disappearance of women and children will be a matter of serious concern and it is needless to point out that it would result in serious violation of human rights and Right to Life and Liberty guaranteed under Article 21 of the constitution of India. Therefore, the concerned authorities of the State are required to examine the documents and status of all such institutions located throughout the state and have a review of the performance of all such institutions, government/non-governmental organizations which have been established for protection of women and children.

8. I am sure, while substantial progress is shown in the matter of tracing out of boys and girls from April 2015 till August 2019, similar progress is not shown in the matter of tracing out women. It is also needless to point out that

113

all the concerned should make every effort to bring down the level of tracing out missing women and children to zero point. **The Additional Registrar of Enquiries-1, Karnataka Lokayukta, Bengaluru, is directed to go through so far as Bengaluru City is concerned and put up a note.**

- ಮಕ್ಕಳು ಸಂಸ್ಥೆಗಳಿಂದ ತಪ್ಪಿಸಿಕೊಂಡ ಸಂದರ್ಭದಲ್ಲಿ ಮಕ್ಕಳನ್ನು ಪತ್ತೆಹಚ್ಚಲು ಈ ಕೆಳಕಂಡಂತೆ ಕ್ರಮವಹಿಸಲಾಗಿದೆ.

1. ಸಂಸ್ಥೆಯ ಸುತ್ತಮುತ್ತಲು, ಬಸ್ ಸ್ಟಾಂಡ್, ರೈಲು ನಿಲ್ದಾಣ, ಪಾರ್ಕ್‌ಗಳು, ಆಟೋಸ್ಟಾಂಡ್, ಮಾರುಕಟ್ಟೆ ಹಾಗೂ ಇತರ ಸ್ಥಳಗಳಲ್ಲಿ ಹುಡುಕಲಾಗುತ್ತದೆ.
 2. ವ್ಯಾಪ್ತಿಯ ಪೊಲೀಸರ ಕಛೇರಿಯಲ್ಲಿ ಎಫ್ ಆರ್ ಆರ್ ದಾಖಲಿಸಲಾಗುವುದು.
 3. ಪೊಲೀಸರು/ಪಾಲಕರು/ಸಂಬಂಧಿಕರನ್ನು ಸಂಪರ್ಕಿಸಿ ಕಾಣೆಯಾದ ಬಗ್ಗೆ ತಿಳಿಸಲಾಗುವುದು ಹಾಗೂ ಮಗು ಮನೆಗೆ ಬಂದಲ್ಲಿ ಮಾಹಿತಿ ನೀಡಲು ತಿಳಿಸುವುದು.
 4. ಶಾಲೆಗೆ ಹೋಗುವ ಮಕ್ಕಳು ತಪ್ಪಿಸಿಕೊಂಡಲ್ಲಿ ಶಾಲೆಗೆ ಭೇಟಿ ನೀಡಿ ಸ್ನೇಹಿತರಲ್ಲಿ /ಶಿಕ್ಷಕರಲ್ಲಿ ವಿಚಾರಿಸಲಾಗುತ್ತದೆ.
- ಸಂಸ್ಥೆಗಳಿಂದ ತಪ್ಪಿಸಿಕೊಂಡು ಪತ್ತೆಯಾಗದೇ ಇರುವ ಒಟ್ಟು 187 ಮಕ್ಕಳಲ್ಲಿ 174 ಮಕ್ಕಳು ಸಂಸ್ಥೆಯಿಂದ ಕಾಣೆಯಾಗಿರುತ್ತಾರೆ. 11 ಮಕ್ಕಳು ಶಾಲೆಯಿಂದ ಹಾಗೂ 2 ಮಕ್ಕಳು ಆಸ್ಪತ್ರೆಗೆ ಹೋದಾಗ ತಪ್ಪಿಸಿಕೊಂಡಿರುತ್ತಾರೆ.

ಮಕ್ಕಳು ಸಂಸ್ಥೆಯಿಂದ/ಆಸ್ಪತ್ರೆಗೆ ಕರೆದೊಯ್ಯುವಾಗ ತಪ್ಪಿಸಿಕೊಂಡಲ್ಲಿ ಆ ಸಂದರ್ಭದಲ್ಲಿ ಕರ್ತವ್ಯದಲ್ಲಿರುವ ಗೃಹಪಾಲಕರು/ರಕ್ಷಕ ಸಿಬ್ಬಂದಿಗಳಿಗೆ ಕಾರಣ ಕೇಳಿ ನೋಟೀಸನ್ನು ಜಾರಿಗೊಳಿಸಿ, ಮಕ್ಕಳನ್ನು ಎಚ್ಚರಿಕೆಯಿಂದ ನೋಡಿಕೊಳ್ಳಲು ತಿಳಿಸಲಾಗಿದೆ. ಇಲಾಖೆಯಲ್ಲಿ ಬಹುತೇಕ ರಕ್ಷಕರ ಹುದ್ದೆಗಳು ಖಾಲಿಯಿದ್ದು, ಖಾಲಿ ಇರುವ ಹುದ್ದೆಗಳಿಗೆ ಬಾಹ್ಯಮೂಲದ ಮೂಲಕ ಸಿಬ್ಬಂದಿಗಳನ್ನು ನೇಮಿಸಿಕೊಳ್ಳಲಾಗುತ್ತಿದೆ. ಮಕ್ಕಳು ಓಡಿಹೋದ ಸಂದರ್ಭದಲ್ಲಿ ಬಾಹ್ಯ ಮೂಲದಿಂದ ತೆಗೆದುಕೊಂಡ ಸಿಬ್ಬಂದಿಗಳಿಗೆ ನೋಟೀಸ್ ಜಾರಿಗೊಳಿಸಲಾಗುತ್ತಿದೆ ಹಾಗೂ ಆ ಸಿಬ್ಬಂದಿಗಳನ್ನು ಕರ್ತವ್ಯದಿಂದ ಬಿಡುಗಡೆಗೊಳಿಸಿ ಬೇರೆಯವರನ್ನು ನೇಮಿಸಿಕೊಳ್ಳಲಾಗಿದೆ.

ಮೇಲ್ಕಂಡ ಅಂಶಗಳ ಹಿನ್ನೆಲೆಯಲ್ಲಿ ಈ ಕೆಳಕಂಡಂತೆ ಅಭಿಪ್ರಾಯ ಪಡಲಾಗಿದೆ:

- ಮಕ್ಕಳು ಕೌಟುಂಬಿಕ ವಾತಾವರಣ ಮತ್ತು ಸಾಮಾಜಿಕ ಪರಿಸರದಲ್ಲಿ ಕಾರಣಾಂತರಗಳಿಂದ ಹೊಂದಿಕೊಳ್ಳದೆ ಹೊರ ಜಗತ್ತಿನ ಆಕರ್ಷಣೆಗೆ ಒಳಗಾಗಿ (ಉದಾ:ಆಧುನಿಕ ಜೀವನ ಶೈಲಿ, ಓದಿನಲ್ಲಿ ನಿರಾಸಕ್ತಿ, ಮೋಜಿನ ಜೀವನ, ಹದಿಹರೆಯದ ಸೆಳೆತ ಮುಂತಾದವುಗಳ ಮೋಹಕ್ಕೆ ಒಳಗಾಗಿ) ಕೆಲವೊಮ್ಮೆ ಮಕ್ಕಳು ಪಟಬದ್ಧ ಹಿತಾಸಕ್ತಿ/ಸಾಮಾಜಿಕ ಘಾತಕರ ಆಮಿಷಕ್ಕೆ ಒಳಗಾಗಿ ತಿಳುವಳಿಕೆ ಇಲ್ಲದೆ ಮನೆ ಬಿಟ್ಟು ಬರುತ್ತಾರೆ. ಈ ರೀತಿ ಮನೆ ಬಿಟ್ಟು ಬಂದ ಮಕ್ಕಳನ್ನು ಪತ್ತೆ ಮಾಡಿ ರಕ್ಷಿಸಿ ಬಾಲಮಂದಿರಗಳಿಗೆ ದಾಖಲಿಸಿದಾಗ ಅಂತಹ ಮಕ್ಕಳು ಸಂಸ್ಥೆಯ ಶಿಸ್ತುಬದ್ಧ ವಾತಾವರಣ, ನಿಯಮಿತ ಜೀವನ ಶೈಲಿ, ಆಹಾರ/ಭಾಷಾಯಲ್ಲಿನ ಭಿನ್ನತೆ, ಮತ್ತು ಓದಿನಲ್ಲಿಯ ನಿರಾಸಕ್ತಿಯ ಕಾರಣ ಓಡಿ ಹೋಗುವ ಸಾಧ್ಯತೆಗಳು ಹೆಚ್ಚಾಗಿರುತ್ತವೆ.

- ಇದಲ್ಲದೆ ಹೊರ ರಾಜ್ಯ/ದೇಶಗಳಿಂದ ಮಕ್ಕಳು ದುಡಿಮೆ/ತಿರುಗಾಡಿಕೊಂಡು/ ಮನೆ ಬಿಟ್ಟು/ ವಿವಿಧ ಕಾರಣಗಳಿಂದ ಕರ್ನಾಟಕಕ್ಕೆ ಬಂದು ಸಂಸ್ಥೆಗಳಿಗೆ ದಾಖಲಾಗುತ್ತಾರೆ. ಸಂಸ್ಥೆಗಳಿಂದ ಕಾಣೆಯಾಗಿ ಪತ್ತೆಯಾಗದ 187 ಮಕ್ಕಳಲ್ಲಿ ಶೇಕಡಾ 51% ರಷ್ಟು ಮಕ್ಕಳು ಹೊರದೇಶ/ರಾಜ್ಯಕ್ಕೆ (ಹೊರ ದೇಶ-12 ಮತ್ತು ಹೊರ ರಾಜ್ಯ- 76) ಸೇರಿದವರಾಗಿರುತ್ತಾರೆ. ಬೆಂಗಳೂರು ನಗರದ ಬಾಲಮಂದಿರಗಳಲ್ಲಿ ಈ ರೀತಿ ದಾಖಲಾಗುವ ಹೊರ ದೇಶ/ರಾಜ್ಯದ ಮಕ್ಕಳ ಸಂಖ್ಯೆ ಅತೀ ಹೆಚ್ಚಾಗಿರುತ್ತದೆ.೨

ಇಂತಹ ಮಕ್ಕಳು ತಮ್ಮ ಪಾಲಕರು/ಪೋಷಕರ ವಿಳಾಸದ ಬಗ್ಗೆ ಸರಿಯಾಗಿ ಮಾಹಿತಿ ನೀಡದೆ ಇರುವ ಹಿನ್ನೆಲೆಯಲ್ಲಿ ಅವರ ಪೋಷಕರನ್ನು ಪತ್ತೆ ಹಚ್ಚಿ ಅವರ ರಾಜ್ಯಗಳಿಗೆ ಕಳುಹಿಸಲು ಕಾಲಾವಕಾಶದ ಅಗತ್ಯವಿರುತ್ತದೆ. ಅಂತಹ ಸಂದರ್ಭದಲ್ಲಿ ಮಕ್ಕಳು ಸಂಸ್ಥೆಗಳಿಂದ ಕಾಣೆಯಾಗುವ ಸಂಭವಗಳು ಹೆಚ್ಚಾಗಿರುತ್ತವೆ.

- ಕಾಣೆಯಾದ ಮಕ್ಕಳ ಅಂಕಿ ಅಂಶಗಳನ್ನು ಗಮನಿಸಿದಾಗ, 170 ಮಕ್ಕಳು ಅಂದರೆ ಶೇಕಡಾ 91% ರಷ್ಟು ಮಕ್ಕಳು 11-18 ವರ್ಷದೊಳಗಿನ ವಯೋಮಾನದವರಾಗಿರುತ್ತಾರೆ. ಈ ವಯಸ್ಸಿನಲ್ಲಿ ಮಕ್ಕಳು ಜೊತೆಯಲ್ಲಿರುವ ಕೆಟ್ಟ ಹವ್ಯಾಸವಿರುವ ಇತರ ಮಕ್ಕಳಿಂದ (peer group), ಹೊರ ಜಗತ್ತಿನ ಆಕರ್ಷಣೆಗೆ ಒಳಗಾಗುವ ಸಾಧ್ಯತೆಗಳು ಹೆಚ್ಚು.

ಈ ರೀತಿ ಆಕರ್ಷಣೆಗೆ ಒಳಗಾಗಿ ಮಕ್ಕಳು ಸಂಸ್ಥೆಯ ಸುರಕ್ಷಿತ ವಾತಾವರಣದಿಂದ ಹೊರಗಡೆ ಹೋದಾಗ ಅವರು ಎದುರಿಸುವ ಸಮಸ್ಯೆಗಳ ಬಗ್ಗೆ ಮತ್ತು ಸಾಗಾಣಿಕೆಗೆ ಒಳಗಾಗುವ ಸಾಧ್ಯತೆಗಳ ಬಗ್ಗೆ ಮಕ್ಕಳಿಗೆ ತಿಳುವಳಿಕೆ ನೀಡಲಾಗುತ್ತಿದೆ. ಮಕ್ಕಳಿಗೆ ಸೂಕ್ತ ಸಮಾಲೋಚನೆಯನ್ನು ಇನ್ನು ಹೆಚ್ಚಿನ ಪ್ರಮಾಣದಲ್ಲಿ (Intensive Counselling) ನೀಡಲು ಕ್ರಮವಹಿಸಲಾಗುತ್ತಿದೆ.

- ಆದ್ದರಿಂದ ಪ್ರತಿ ಸಂಸ್ಥೆಯಲ್ಲಿ ಸಮಾಲೋಚಕರನ್ನು ನೇಮಿಸಿಕೊಂಡಿದ್ದು ಅವರುಗಳಿಗೆ ತಜ್ಞರ ಮೂಲಕ ಕೌನ್ಸಿಲಿಂಗ್ ಬಗ್ಗೆ ತರಬೇತಿಯನ್ನು ನೀಡಲು ಕ್ರಮ ವಹಿಸಲಾಗುತ್ತಿದೆ, ಅಲ್ಲದೇ ಅವಶ್ಯಕತೆ ಇರುವ ಮಕ್ಕಳಿಗೆ ನಿಮ್ಮಾನ್ಸ್ ಮೂಲಕ ಆದ್ಯತೆಯ ಮೇರೆಗೆ ಹೆಚ್ಚಿನ ಸಮಾಲೋಚನೆ ಕೊಡಿಸಲಾಗುತ್ತಿದೆ ಹಾಗೂ ಸಮಾಲೋಚಕರಿಗೂ ಸಹ ಕೌನ್ಸಿಲಿಂಗ್ ಬಗ್ಗೆ ತರಬೇತಿ ಕಾರ್ಯಕ್ರಮಗಳನ್ನು ಆಯೋಜಿಸಲಾಗುತ್ತಿದೆ.

2018-19 ನೇ ಸಾಲಿನಲ್ಲಿ "Basic Psychological care for children in difficult circumstances" ಬಗ್ಗೆ 3 ದಿನಗಳ ತರಬೇತಿಯನ್ನು ನಿಮ್ಮಾನ್ಸ್ ಮೂಲಕ 4 ತಂಡಗಳಲ್ಲಿ 56 ಸಮಾಲೋಚಕರಿಗೆ ನೀಡಲಾಗಿದೆ. 2019-20 ನೇ ಸಾಲಿನಲ್ಲಿ

“ಸಾಮಥ್ಯಾಭಿವೃದ್ಧಿ” ಬಗ್ಗೆ 6 ದಿನಗಳ ತರಬೇತಿಯನ್ನು ನಿಮ್ಯಾನ್ಸ್ ಮೂಲಕ 3 ತಂಡಗಳಲ್ಲಿ 97 ಸಮಾಲೋಚಕರಿಗೆ ನೀಡಲಾಗಿದೆ.

6) A Status Report dated 27.02.2020 has been filed by the Secretary, Central Relief Committee. The said report indicates that the committee has furnished the details of the inmates in the Central Relief Committee etc., to the department of Women and Children.

7) Dr.Simi Mariam George IPS, Assistant Inspector General of Police, Crime submitted that every effort is being made by the Police department to prevent missing of women, girls and boys and also to trace out such of those who are missing. It is her further submission that in most of the cases, missing of women, girls and boys takes place on account of certain family problems and the instructions are being given to the officers in charge of all the Police Stations to take effective steps to trace out the missing women, boys and girls and it is being regularly monitored. She submitted that every month in the review meeting, it is being monitored.

8) Similar submissions were made by Smt.M.C.Shylaja, Project Director; Directorate of Integrated Child Protection Scheme (ICPS) and Smt.B.S.Bharathi Devi, Senior Assistant Director representing Director of Women & Child Development

Department, Bengaluru. Further, in the course of discussion they pointed out that in Bengaluru City there are more than 500 inmates who are accommodated in Institutions located near Kidwai Hospital, Hosur Road Bengaluru at –

- (1) State Home for Women.
 - (2) Reception Centre
 - (3) Institution for mentally handicapped children
 - (4) Shishu Mandir
 - (5) Children Home for Girls
 - (6) Children home for Boys
 - (7) Social service complex (for senior citizens)
 - (8) Institution for mentally retarded women &
- 9) They pointed out the serious problems they are facing for want of security arrangements by police personnel. They also further pointed out that though they have employed home guards, it is not serving the purpose. According to them, it is only by deployment of the police personnel they can prevent missing of women, boys and girls from the said centres and also any untoward incident taking place either within the centre or around the centre. It is also brought to my notice that in this

Citizens Empowerment, Bengaluru, and the Commissioner of Police, Bengaluru City would examine the request made by the officers referred to above and take appropriate remedial measures. **The Women & Child Development and Disabled & Senior Citizens Empowerment, Bengaluru** are also instructed to give one more representation enclosing a copy of the earlier representation requesting them to provide sufficient police personnel.

10) It is further pointed out by Smt.M.C.Shylaja, Project Director, Directorate of Integrated Child Protection Scheme (ICPS) Bengaluru that the children who are in conflict with law are housed at Observation Home, Madiwala, Hosur Road, Bengaluru, and on the dates of hearing on many occasions they are facing serious problems on account of the huge public intervention. It is further pointed out by her that since most of the children being the children who are in conflict with law, unless there is sufficient Police force it is difficult to control. **In the light of the said submission, it is needless to point out that at least one Police Outpost with around 3 to 4 police personnel working for all the 24 hours be provided.**

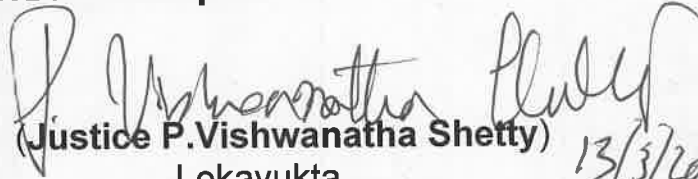

connection, they have made a request with the Additional Chief Secretary, Women & Child Development Department and the Home Secretary and also with the Commissioner of Police, Bengaluru City to provide police personnel some time back. Having elaborately heard from the officers of the Department for Women & Child Development and Disabled & Senior Citizens Empowerment, Bengaluru, I am prima facie of the view that the concern expressed by them is genuine and it is required to be attended to by the concerned on priority basis to protect the rights and liberty of women and children who are housed at the Institutions located near Kidwai Hospital, Hosur Road, Bengaluru. Any deficiency in providing police personnel to the Institutions referred to above, it is need less to point out, it is likely to serious affect the right to life and liberty of the inmates residing in the said centres. Therefore, I am sure, the concerned authorities of the State i.e., **the Additional Chief Secretary & Home Secretary, Vidhana Soudha, Bengaluru, the Director General & Inspector General of Police, State of Karnataka, the Additional Chief Secretary to Government, Women & Child Development and Disabled & Senior**

143

11) I am sure, by the next date of hearing the authorities more particularly Police would show substantial progress in tracing out the women and children who are yet to be traced as per the statement submitted. The respondents are directed to file the Status Report with regard to the steps taken by them by the next date of hearing.
