Karnataka Lokayukta,

Sir,

Sub: Providing information about lakes, tanks  
and ponds or any other water bodies in the  
State of Karnataka – reg.

-----

I have been directed by the Hon'ble Lokayukta to request you to  
furnish the following information about **lakes, tanks and ponds or  
any other water bodies** pertaining to your district.

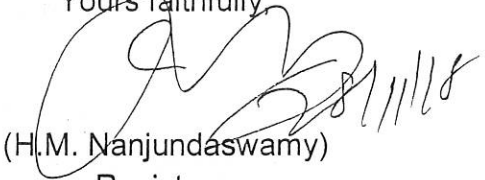

- (1) Details of lakes
- (2) Taluk-wise break-up
- (3) Details of developmental actions/activities taken up by the  
Irrigation Department or District Administration or by the  
jurisdictional Municipal Council/Town Municipal Council for  
rejuvenating of the lakes
- (4) The total extent of the entire lake area/lake bed, as well total  
encroachment of such area, if any

- (5) Steps taken up by the District Administration for the removal of such encroachments, if any
- (6) The actual area in the tank/tank bed where the water is available in each of the lakes

I have been further directed by the Hon'ble Lokayukta to request you to contact the concerned officers of the District Administration and collect necessary information immediately. You are also requested to visit atleast 1/3<sup>rd</sup> of the lakes in each taluk of your District and information be collected and forwarded to the undersigned within a month, so that the same could be placed before Hon'ble Lokayukta for further kind orders.

Thanking you,

Yours faithfully,

  
(H.M. Nanjundaswamy)  
Registrar
